## The Purpose & Objectives of OMNI

OMNI supports the business concept in which independent moving companies arrange and control international moving contracts and work with each other to provide a high level of service. It is known as the agent to agent philosophy.

With that as its basic mission, OMNI's objectives are:

1. To develop and sustain a network of first class moving companies dedicated to the highest international standards
2. To increase the overall market share of the network
3. To provide a network business climate within which members are required to reciprocate with each other, and to do business in an environmentally sensitive manner and to maintain the highest ethical standards
4. To develop and provide value added products and services for the network
